SCOPE OF WORK

What's Included

01 Custom Planter Boxes (×2)

Build and install two custom planter boxes from premium redwood. Square edges, tight joinery, sealed seams, color-matched screws (wood-tone finish) so fasteners disappear into the grain. Set level and plumb on the existing concrete.

02 Redwood Deck Wall · 16ft × 6ft

Build and install a 16-foot by 6-foot redwood feature wall with horizontal slat layout matching the reference photo. Premium-grade redwood, hidden framing, color-matched fasteners. Tightened, plumbed, and inspected before sign-off.

03 Installation, Sealing & Cleanup

All anchoring, leveling, and structural fastening on site. Cut ends and end-grain sealed before installation. Daily debris haul-off, final walkthrough with you, and 1-year workmanship warranty.

MATERIALS & QUALITY

Premium Redwood + Color-Matched Hardware

We use premium-grade redwood selected for color, grain, and weather resistance. All exposed fasteners are **color-matched to the wood tone** so the finished surface reads clean and seamless — no silver screw heads breaking the line of the grain.

Cut edges and end grain are **sealed before installation** to slow weathering and lock in color.

What we supply: the two planter boxes and the redwood deck wall, fully built and installed.

Not included: decorative metal screens, plants, soil, irrigation, concrete, electrical, lighting, stain/paint, HOA fees, and permits.

Pricing & Payment

Two material grades for the same build. Both all-inclusive: labor, materials, color-matched hardware, equipment, insurance, taxes, and on-site management.

OPTION A

Premium Grade

★ RECOMMENDED

\$7,200

all-inclusive

· Clear All-Heart Redwood — top grade

· Hand-selected boards, uniform grain

· Stainless color-matched fasteners

· Full end-grain & cut-line sealing

· Longest service life, best finish

OPTION B

Standard Grade

\$6,300

all-inclusive

· Construction Common Redwood — quality grade

· Sound, durable, weather-resistant

· Minor sound knots permitted, natural look

· Color-matched fasteners throughout

· End-grain sealed at cuts

· Strong value, holds up well outdoors

PAYMENT SCHEDULE · Per California CSLB rules. Down payment capped at the lesser of 10% or \$1,000.

NEXT STEPS

Call Meir Hayon at (818) 390-7639 to select an option and move forward.

We will schedule the formal contract signing, which includes the California Mechanics Lien Warning, 3-day Right to Cancel, and full CSLB disclosures.

This is an estimate, not a contract. Pricing valid 30 days from the issue date. A formal home-improvement contract supersedes this document upon signing.
